Subject: Planning Commission

Madam Supervisor,

I Samuel Iaquinto, have enjoyed serving Northfield Township as a Planning Commissioner for the last three years. I bring a balanced perspective to the board being a resident and business owner. I am asking to be reappointed to the Planning Commission for a three year term. I Thank you and the Township Board for the opportunity to serve on the PC board in the past and if allowed to continue I will be blessed.

Respectfully

Samuel J Iaquinto
